Dear Friend,

PIONEERS' AWARD FOR OUTSTANDING SERVICES TO WOMEN'S CRICKET

An annual trophy, known as the "Pioneers' Award for Outstanding Services to Women's Cricket" was introduced by the Pioneers' Committee in 2012. The late Rita Catmull was the inaugural recipient of the Award, followed in 2013 by Sylvia Faram; Jill Crowther in 2014; Marian Goring in 2015; Anne Gordon in 2016; Henry Spiers in 2017 and Pamela Allen in 2018.

The reception given to the previous recipients at their respective Cricket Victoria VWCA/WCCC award night was not only an acknowledgment and recognition of their decades of service to women's cricket, but also an acceptance of the ideals and objectives of this prestigious award.

The purpose of the award is to recognise the achievements and contribution of an individual, whether female or male, to women's cricket.

Outstanding services to women's cricket may manifest itself in many ways, whether on or off the field. The recipient may be a highly visible face of a club, or a tireless volunteer behind the scenes.

Nominations from a club, an individual, an umpire or a volunteer are to be submitted to The Pioneers by the due date and **must** be seconded.

The Pioneers' Committee will then vote to determine the recipient of the award.

The award is acknowledged in the form of a trophy, which will be presented by a previous recipient or a member of The Pioneers' Committee at the annual WCCC Presentation Night. This year's event is on Friday 12 April 2019 at the Junction Oval Function Room, St Kilda.

The recipient of the award will also be recognised at the Pioneers' 89th annual reunion lunch to be held at the Windy Hill Venue on Sunday 26 May 2019.

A nomination form is attached, which should be completed and received by 5pm on **Thursday 28 February 2019**.
